Culture Partners:

“For 30 years and counting, we have empowered clients across the globe to harness the power of culture. Our human industrial-organizational psychological methods activate organizations to achieve results, year after year, by connecting experiences, beliefs, and actions. Our purpose is to unleash the power of culture to inspire businesses and people to reach their full potential.

We believe in the transformative power of culture to improve the professional and personal lives of people everywhere.”

RBL Group:

“The RBL Group helps you maximize the impact of your people and organization using our client-centered, business-oriented outside-in approach. Our ground-breaking research and high impact, results-based guided learning solutions build human capability that delivers results that matter to your stakeholders.

Specifically, we help organizations:

- **Organization**: Identify and design the capabilities that drive your business and create distinctiveness with customers and competitive advantage in the marketplace.
- **Leadership**: Build leadership capability that ensures leaders at every level get the right results the right way.
- **Talent**: Enable leaders to develop and coach people to increase their competence, ensure engagement, and discover meaning in their work.
- **Strategic HR**: Develop HR professionals with an outside-in perspective and the tools to add value and build human capability.”
